

PACIFIC ECRISK

ENVIRONMENTAL CONSULTING & TESTING

Mr. David Dwinell  
U.S. Army Corps of Engineers  
San Francisco District  
333 Market St.  
San Francisco, CA 94105

October 18, 2005

Dear David:

Please find attached a revised copy of Table 1-1 and Figures 1-3, 1-4, and 1-5 to our previously submitted Sampling and Analysis Plan (SAP) "Sediment Characterization Sampling and Analysis Plan for the Levin-Richmond Terminal Located in Richmond Inner Harbor". These tables and maps reflect the use of a 2 foot over-dredge for the dredged material to be removed from the Shore Terminal.

If you have any questions, please give me a call at (925) 313-8080. I look forward to hearing from you.

Sincerely,

Jeffrey Cotsifas  
Special Projects Director
